

Session types available for IDWeek 2020 virtual events in the Intrado platform

CHAT = Group chat

Q+A = chat box where attendees can type questions to the speaker/moderator

1. Simulive w/ Live (Webcam at end only) Q&A

Prerecorded (by Intrado or independently) with on camera Q&A at the end of the session. Attendees type in their questions and speakers answer in video.

2. Simulive w/ Live (Chat during and Webcam at end) Q&A

Prerecorded (by Intrado or independently) with on camera Q&A at the end of the session. Attendees type in their questions and speakers answer in video. In session text-based chat is activated.

3. Simulive (no Q&A)

Prerecorded (by Intrado or independently) – No chat/No Q&A. Session played beginning to end as if a live event. No stop/pause/forward/backward function for the attendee.

4. Live STUDIO Webcam (Multi-Speaker)

Live session with more than one speaker, chat and live Q&A.

5. Live STUDIO Webcam (Single Speaker)

Live session with only one speaker, chat and live Q&A.

6. Live STUDIO Audio Only

Live audio session. No video. No chat. No Q&A.

7. Live STUDIO Streaming Video

Streaming in video from your own production studio live.

8. On-Demand

Prerecorded (by Intrado or independently) – No chat/No Q&A. Session played like Netflix with stop/pause/forward/backward functions available for the attendee.
