

IDWeek²⁰¹⁷TM

Advancing Science, Improving Care

ADDENDUM TO THE *FINAL PROGRAM AND ABSTRACTS* (as of 9/27/17)

Copyright, Disclaimer, and Related Policies

All materials included on the IDWeek website and/or audio media are subject to copyrights owned by IDSA, SHEA, HIVMA, and PIDS or other individuals or entities. Any reproduction, retransmission or republication of all or part of any document is strictly prohibited, unless the copyright owner of the material has expressly granted its prior written consent to so reproduce, retransmit or republish the material. All other rights reserved.

Abstracts

Abstracts are available electronically on the IDWeek Interactive Program Planner. Visit www.idweek.org and under program, click on the “Interactive Program” to view the complete abstracts. Create your itinerary using the Interactive Program Tool and download abstracts to PDF. Abstracts will also be available via OFID on October 4, 2017.

IDWeek Meeting Surveys and Claiming CME/CPE/MOC Credit

IDWeek meeting surveys can be completed online after the meeting – watch your email for a link.

Individual session evaluations are completed online through the process of claiming CME/CPE/MOC credit. **The deadline to claim credit is November 27, 2017.** Visit www.idweek.org/post-meeting-tools for details about how to claim credit and complete session evaluations.

IDWeek Special Events

Don't miss out on these special IDWeek events!

SHEA Business Meeting
Thursday, October 4, 5:45 – 6:30 p.m., Room 5

Career Networking Event
Thursday, October 5, 6 – 8 p.m., Ballroom 20D
Bayside Foyer

Top employers from across the nation will come together with qualified infectious diseases specialists seeking employment. Participating companies represent a variety of practice types, with positions ranging from novice to experienced clinicians, all looking to hire infectious diseases specialists.

PIDS Business Meeting
Saturday, October 7, 6 – 8 p.m., Marina Ballroom D at the San Diego Marriott Marquis

Town Hall 2.0: Join the Conversation
Friday, October 6, 6 – 7:30 p.m., 6DE
The IDWeek Town Hall 2.0 is every attendee's opportunity to join the conversation and address leadership of all the societies. We provide an open microphone and cocktails and you provide the content. This is the opportunity of the conference to set the stage and voice what matters to you.

Have something on your mind you'd like to join the conversation with? Submit it now! Email it to IDWeektownhall@IDWeek.org or use #IDWeektownhall on Twitter.

IDBugBowl
Saturday, October 7, 2-3:30 p.m., 6AB
Come match your knowledge of ID Trivia with contestants from three San Diego ID programs! The teams will battle it out to see who comes out on top in the inaugural IDBugBowl.

Program and Abstract Updates

Session 004. Symposium
Late Breaker I
Wednesday, October 4, 1:30 – 3:30 p.m.
Presentation 14: The Surprising Return of Hepatitis A: Ongoing Outbreaks Among Homeless and IDU Populations will be given by Monique Foster, MD, MPH, Division of Viral Hepatitis, Centers for Disease Control and Prevention, Atlanta, GA and Eric McDonald, MD, MPH, Epidemiology and Immunization Services Branch, San Diego County Health and Human Services Agency, San Diego, CA

Session 005. Symposium

IDWeek Poster Discussion Rounds

IDWeek Poster Discussion Rounds will take place from 12:30 – 2 p.m. in the following areas:

IDExpo Hall – Area A

Thursday, October 5

79. Managing Emerging Resistance in Gram Negatives

Friday, October 6

174a. Antiretroviral Therapy

Saturday, October 7

260. Advances in Diagnostics and Impact on Stewardship

IDExpo Hall – Area B

Thursday, October 5

80. Big Beasts

Friday, October 6

174b. PrEP

Saturday, October 7

261. Gram Positives in Healthcare Epidemiology

IDExpo Hall – Area C

Thursday, October 5

81. Global Health

Friday, October 6

175. Big Beasts – Clinical

Saturday, October 7

262. New Antibiotics

IDExpo Hall – Area D

Thursday, October 5

82. HIV Metabolic Diseases

Friday, October 6

176. *Clostridium difficile*

Saturday, October 7

263. Pediatric Bacterial Infections

IDExpo Hall – Area E

Thursday, October 5

83. Stewardship

Friday, October 6

177. Education

Saturday, October 7

264. Pediatric Viral Infections

IDExpo Hall – Area F

Friday, October 6

178. Stewardship II

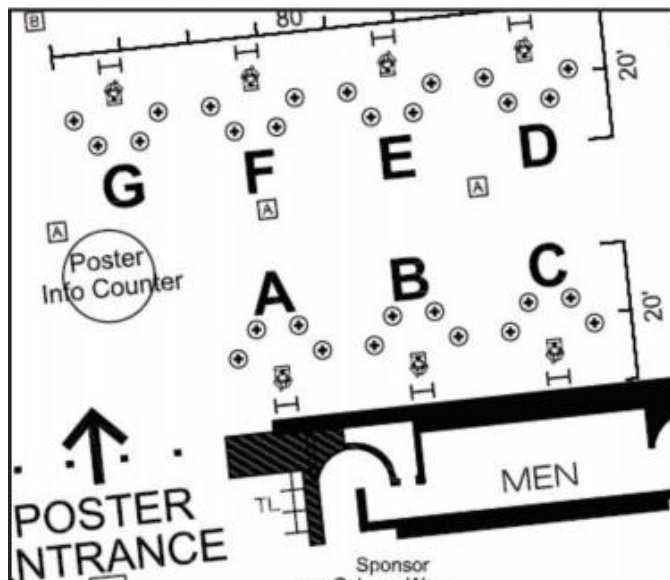

Saturday, October 7

265. HIV and Hepatitis

IDExpo Hall – Area G

Saturday, October 7

266. Transplants

The Infectious Diseases Society of America is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians.

Credit Designation Statement

IDSA designates this live activity for a maximum of 41.75 AMA PRA Category 1 Credits™. The core IDWeek sessions are designated for 29.75 credit hours and premeeting workshops are an additional 12. Physicians should only claim credit commensurate with the extent of their participation in the activity. **The deadline for completing the evaluations is Monday, November 27, 2017.**

American Board of Internal Medicine MOC

All CME accredited sessions are also available for attendees to earn American Board of ABIM MOC points.

Successful completion of this CME activity enables the participant to earn up to 29.75 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

More MOC points can be earned through pre-meeting workshops for an additional fee. IDWeek 2017 physician participation information will be shared with ABIM through ACCME PARS.

American Board of Pediatrics MOC

All 13 interactive sessions are available for attendees to earn ABP MOC points. Attendees may earn a total of 8 MOC points and must attend 4 of the 13 sessions.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 8 MOC points in the American Board of Pediatrics’ (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

IDWeek 2017 physician participation information will be shared with ABP through ACCME PARS.

The continuing education activities for pharmacists have been developed through a joint providership of ProCE, Inc. and the Infectious Diseases Society of America (IDSA). ProCE, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE Universal Activity Numbers 0221-9999-17-216-L01-P through 0221-9999-17-326-L01-P, 0221-9999-17-341-L01-P through 0221-9999-17-342-L04-P, and 0221-9999-17-380-L01-P through 0221-9999-17-384-L01-P have been assigned to these live knowledge-based and application based sessions (Initial release date October 3-8, 2017). This conference is acceptable for up to 38.0 contact hours (3.8 CEUs) in states that recognize ACPE providers. The registration fee covers the cost of CE credits. CE statement will be issued by the Infectious Diseases Society of America (IDSA) at the conclusion of the conference. Participants must complete an evaluation for each session they attended to receive pharmacy CE credit. **The deadline for completing the evaluations is Monday, November 27, 2017.**
