IDWeek 2023 Program at-a-Glance

All times are Eastern. All session titles, dates and times are subject to change.

Premeeting Activities <i>(Additional fees apply)</i>	
Tuesday, Oct. 10	
8 a.m.–5 p.m.	Premeeting Workshops (\$)
5:30–6:30 p.m.	Industry-Sponsored Presentation Theaters
6:30–8:30 p.m.	Industry-Sponsored Education Evenings
Wednesday, Oct. 11	
7 a.m.–1 p.m.	Industry-Sponsored Satellite Symposia (7–9 a.m., 9–11 a.m., 11 a.m.–1 p.m.)
8 a.m.–noon	Premeeting Workshops (\$)
Meeting Sessions <i>(Official Start of the Program)</i>	
Wednesday, Oct. 11	
1:30–3:15 p.m.	Interactive Challenging Syphilis Cases
	Mano a Mano
	Symposia COVID-19 Overview
	Hit Me With Your Best Shot: Vaccines to Reduce Antimicrobial Resistance
	Late Breaker Symposium I
	What's Hot in ID + HIV
3:45–5:30 p.m.	Plenary Opening Plenary
7:30–9:30 p.m.	Industry-Sponsored Satellite Symposia
Thursday, Oct. 12	
8–9 a.m.	Meet-the-Professor Building ID Resiliency: Beyond Cookies in the Breakroom
	Contemporary Approaches to HBV Treatment
	IYKYK: HIV Care for Adolescents
	Just Your Average Day in a Pediatric ID Clinic
	Model-Informed Precision Dosing and Therapeutic Drug Monitoring in Children
	Multidrug-Resistant TB: Less Is More
	NHSN: M(AUR) Than a Four-Letter Word
	Optimization of the Electronic Health Record: Asking for What We Deserve
	Still Hot: Updates in Viral Hemorrhagic Fevers
	Transplant-Related Infectious Diseases
	Symposium New Antimicrobials and ID Diagnostics in the Pipeline
9:15–10 a.m.	Named Lecture IDSA Named Lecture
10 a.m.–2 p.m.	Explore a Reimagined Exhibit Experience

10:15 a.m.–2 p.m.	Industry-Supported Learning Lounges (10:15–11 a.m., 11:15 a.m.–noon, 12:15 p.m.–1 p.m., 1:15 p.m.–2 p.m.)
10:30–11:45 a.m.	Interactive Challenging Cases in Infectious Diseases
	Oral Abstract Sessions
	Symposia Antimicrobial Stewardship Myth Busters
	Compendium Controversies: Updates Round 2
	IDA&E in ID Session
	Innovative Responses to Surges in Syphilis
	More Than Words: The Power of Writing in ID
12:15–1:30 p.m.	State-of-the-Art HIV Care and Prevention
	Translating OPAT Quality and Cost Measurement Into OPAT Funding
	Tripledemic or Quadridemic: Why Is This Happening to Our Pediatric Patients?
	What's News(-worthy) About CMV in Transplant
	Poster and Rapid-Fire Presentations (Poster Hall Open 8 a.m.–6 p.m.)
1:45–3 p.m.	Interactive Squabbles Among Friends: Is It Necessary to Check HIV Viral Loads in PrEP Clinic? And Should Mothers With HIV Breast/Chest Feed?
	Unforgettable Cases in Tropical Medicine
	Late Breaker Abstract Session
	Oral Abstract Sessions
	Symposia Climate Change Is a Pandemic: Decreasing Emissions Is the Vaccine We Need; You Can Be Part of the Solution
	Clinical Trials That May Change Your Practice
	Disease X: The Next Pathogen of Pandemic Potential: How to Avoid, Track and Prepare
	Identifying and Tackling Disparities in Infection Prevention and Antimicrobial Stewardship
	Machine Learning for Health Care Epidemiology and Antimicrobial Stewardship
	New Approaches to Pertussis Vaccination
	The Antifungal Evolution: Novel Strategies for a Changing World
	What's New in Respiratory Viruses

program details.

IDWeek offers CME, CNE, CPE and MOC credits.

3:15–4:30 p.m.	Interactive A Day With the Hospital Epidemiologist's Pager: Challenging Cases in Infection Prevention Afternoon Delight: Challenging HIV and STI Coinfection Cases Named Lecture Caroline B. Hall Lecture Oral Abstract Sessions Symposia Climbing the Mountain: Enhancing Recruitment Into ID CNS Infections Don't Fumble the Handoff: Maximizing Antimicrobial Outcomes at Transition of Care Migrant Health and Its Impact in Latin America Not So Wee TB: Addressing Disease in Pediatric Patients Wastewater Analysis: From Surveillance to Discovery Xenotransplantation: The Next Frontier in Transplant ID
4:45–6 p.m.	Named Lecture IDSA Named Lecture
7–9 p.m.	Industry-Sponsored Satellite Symposia
Friday, Oct. 13	
8–9 a.m.	Meet-the-Professor A Second Chance: Transplantation in PWH Chalk Talks: Putting Strategies for Success Into Practice Chronic Lung Disease: From Biomarkers to New Treatments COVID-19 Special Populations Implementation Science for IC and Antimicrobial Stewardship Less Is More: Antimicrobial Stewardship in Immunocompromised Patients Linezolid Dosing: Can Less Be More? Stewarding the Use of Novel Beta-Lactam Antibiotics Traveler's Rash: Tropical Infectious Diseases Through a Dermatologic Lens Symposium New Antimicrobials and ID Diagnostics in the Pipeline
9:15–10 a.m.	Named Lecture IDSA Named Lecture
10 a.m.–2 p.m.	Explore a Reimagined Exhibit Experience
10:15 a.m.–2 p.m.	Industry-Supported Learning Lounges (10:15–11 a.m., 11:15 a.m.–noon, 12:15 p.m.–1 p.m., 1:15 p.m.–2 p.m.)

10:30–11:45 a.m.	Interactive Mind Blown: Challenging HIV Clinical Cases What About Non-Beta-Lactam Allergies? Case Discussion Including Management Strategies Oral Abstract Sessions Symposia HCV in Marginalized Populations: Ensuring Treatment Reaches All Patients ID Compensation Knowledge Gaps in Interpretations of Microbiology Lab Comments and Interpretations Late Breaker Symposium II Microbiome Therapeutics: Leaving the Bench and Arriving at the Bedside Putting the Patient in Charge: The Present and Future of Self-Testing When the Indication for Transplant Is Infectious: To Transplant or Not, Donor Addition Where Are We Now? Lessons Learned From Recent Emerging Infectious Disease Challenges
12:15–1:30 p.m.	Poster and Rapid-Fire Presentations (Poster Hall Open 8 a.m.–6 p.m.)
1:45–3 p.m.	Interactive Addressing Challenges in Antimicrobial Stewardship Training: Teaching, Scholarship and Sustainability Challenging Cases in CIED Vaccine Challenging Cases Late Breaker Abstract Session Oral Abstract Sessions Symposia Clinical Management of Fungal Infections Experts' Choice: Our Favorite Recent Papers in Travel, Tropical Medicine and Global Health Getting Up to Speed: HIV for the General ID Practitioner Hot Topics in Pediatric Infectious Diseases Hot Topics in Public Health Mentoring, Coaching and Sponsoring: Enhancing Critical Supports for Career Success Understanding and Preventing Viral Gastroenteritis
3:15–4:30 p.m.	Interactive Challenging Cases in Pediatric Infectious Diseases Oral Abstract Sessions Symposia Clinical Conundrum in COpAT Clinical Conundrums in <i>C. difficile</i> Infection: One Guideline Does Not Fit All Diagnostic Errors in Infectious Diseases Influential Publications in Health Care Epidemiology, Antimicrobial Stewardship and Public Health Modernizing Antiviral Dosing Strategies Netflix and Chill: Comprehensive Sexual Health Services in the HIV Clinic Next-Generation COVID-19 Vaccines Tuberculosis and Other Mycobacterial Infections: Translation Research to Address Gaps in Diagnosis and Therapy Where in the World Are We With Neglected Tropical Diseases?

4:45–6 p.m.	Named Lecture SHEA Lectureship Stanley A. Plotkin Lectureship in Vaccinology
6–8 p.m.	Industry-Sponsored Satellite Symposia
Saturday, Oct. 14	
8 a.m.–9 a.m.	Meet-the-Professor Fungal Eye Dilemmas: To Dilate or Not to Dilate? Getting Started in Health Care Epidemiology & Antimicrobial Stewardship Implementing & Executing Clinical Practice Innovations & Research Rapidly in an Integrated Health Care System: The VA Example Making Antimicrobials Cool Again: Antibiotic Education for Medical Students and Residents No Cultures? No Problem: Making the Most of Formalin-Fixed Tissue for ID diagnosis Not Just Non-TB: Challenging Cases of Mycobacterial Disease QI Tools to Support Your AMS Program <i>S. Aureus</i> Bacteremia: Routine, in Whom, When and for How Long? Top Papers in Medical Mycology Tracking and Containing Antimicrobial-Resistant Health Care-Associated Infections With Novel Sequencing Approaches Symposium New Antimicrobials and ID Diagnostics in the Pipeline
9:15–10 a.m.	Named Lecture IDSA Named Lecture
10 a.m.–2 p.m.	Explore a Reimagined Exhibit Experience
10:15 a.m.–2 p.m.	Industry-Supported Learning Lounges (10:15–11 a.m., 11:15 a.m.–noon, 12:15 p.m.–1 p.m., 1:15 p.m.–2 p.m.)
10:30–11:45 a.m.	Interactive Challenging Cases in Transplant ID What Is the Optimal Therapy for My Patient With Bacteremia? Oral Abstract Sessions Symposia AI in ID Beyond the 101: Pondering Perplexing Prescribing Issues Case-Based Gu(ID)lines: News From the ED Combatting Viral STIs Effects of Antibiotics on Bacterial Virulence Ending the HIV Epidemic: Cutting-Edge Models of Care Epidemiology of RSV and Prevention Measures Promoting the Uptake of Vaccination Why We Need a One Health Approach for Controlling Antibiotic Resistance
12:15–1:30 p.m.	Poster and Rapid-Fire Presentations (Poster Hall Open 8 a.m.–6 p.m.)

1:45–3 p.m.	Interactive Squabbles Among Friends: Should We Stop Screening for Asymptomatic STIs? And Is Molecular Surveillance for HIV Really Worth It? What Do I Do With This Test Result? Late Breaker Abstract Session Oral Abstract Sessions Symposia A Deep Dive Into Infection Prevention and Immunocompromised Hosts Aging and Infections Building Better: The Road to Equality Through Quality Improvement Nibs and mAbs: Biologicals-Associated Infectious Complications and Mitigating Risk of Infections Partnering to Extend Your ASP Reach: Across States and Regions Reviving the Antimicrobial Pipeline: Costs, Challenges and Opportunities Vaccines for Herpes Viruses What's New in Head and Neck Infections
3:15 p.m.–4:30 p.m.	Interactive Clinical Controversies Oral Abstract Sessions Symposia CNS Device Infections Decolonization Strategies to Address HAIs and AR Difficult-to-Diagnose, Difficult-to-Treat Infections in Neutropenic and Post-Stem Cell Transplant Patients Infectious Diseases From Climate Change and Natural Disasters Live Long and Prosper: Managing Comorbidities in the HIV Clinic Maternal Immunizations: Current Status and Future Directions Musculoskeletal Infections: Muscling Our Way Through Regulation of Lab-Developed Tests: Critical, But Are They “VALID”? The Not So Little Beasts of Pediatric Health Care Epidemiology
4:45 p.m.–6 p.m.	Interactive IDBugBowl
6–7 p.m.	Industry-Sponsored Presentation Theaters
7–9 p.m.	Industry-Sponsored Education Evenings
Sunday, Oct. 15	
8 a.m.–9 a.m.	Mini Symposia Escape Room: Learning ID the Fun Way Health Care Data Sources for Pediatric Infectious Disease Research: Answering the Right Questions the Right Way UTIs and Percutaneous Urinary Catheters
9:15 a.m. – 10:45 a.m.	Plenary Closing Plenary

Important Dates

Registration Open to Members*

Tuesday, May 2

Registration opens to all attendees on Tuesday, June 6.

Abstract & Case Submission Deadline
Awards Application Deadline

Wednesday, May 3

Regular Deadline Abstract
