IDWeek 2025 Program-at-a-Glance

All times are ET. All session titles, dates and times are subject to change.

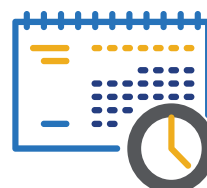

Premeeting Activities (\$) = Additional Fees Apply	
Saturday, Oct. 18	
8 a.m. – 5 p.m.	Premeeting Workshops (\$)
Sunday, Oct. 19	
8 a.m. – 12 p.m.	Industry Educational Events
8 a.m. – 12 p.m.	Premeeting Workshops (\$)
8 a.m. – 5 p.m.	BugHub Stage and Global BugHub Stage

MEETING SESSIONS (Official Start of the Program)	
Sunday, Oct. 19	
1:30 – 3:15 p.m.	Interactive Mano-a-Mano Symposia Beyond the 101: Pondering Perplexing Prescribing Issues Emerging Infectious Diseases You Should Know About Generative AI's Role in Health Care Epidemiology Surveillance Hot Topics in Microbiome Late Breaker Symposium 1 What's Hot in ID + HIV
3:45 – 5:30 p.m.	Plenary Opening Plenary
5:30 – 7 p.m.	Event BugBash
7 – 9 p.m.	Industry Educational Events
Monday, Oct. 20	
6 – 8 a.m.	Industry Educational Events
8 – 9 a.m.	Meet-the-Professor Can Sustainability Work Sustain ID? Challenging Management of Tuberculosis Culture Change: How to Get Clinicians and Institutions on Board With Appropriate Prescribing Diversifying ID Revenue Streams How to Treat Difficult Mold Infections Maximizing Impact: Micro-ID Partnerships in Diagnostic Stewardship of NGS Tests The Use of Point-of-Care Ultrasound in ID These Blind Mice ... When Bench Doesn't Meet Bedside Top 10 Papers in Antimicrobial Resistance What Is New on Viral Hepatitis From A to E? Symposia New Antimicrobials in the Pipeline – Part 1
8 a.m. – 5 p.m.	BugHub Stage and Global BugHub Stage
9:15 – 10 a.m.	Named Lecture IDSA Named Lecture
10 a.m. – 2 p.m.	Exhibit Hall Hours
10:15 a.m. – 2 p.m.	Industry-Supported Learning Lounges
10:30 – 11:45 a.m.	Interactive Challenging Cases in Infectious Diseases Unforgettable Cases in Travel and Tropical Medicine Oral and Late Breaker Abstracts Symposia Across the Globe: Looking Beyond the Usual Foes Faced by Transplant Recipients Advances in Sepsis Care and Quality Measures AI in ID Education and Fellowship Applying Next-Generation Sequencing to Clinical Treatment and Prevention Diagnostic Conundrums: Navigating Complex Clinical Decisions in Pediatrics

	Increasing Vaccine Confidence When Confidence Is Low State-of-the-ART HIV Care Transforming Public Health Surveillance and Applied Epidemiology to Meet the Future: The U.S. Emerging Infections Program at 30
12:15 – 1:30 p.m.	Poster and Rapid-Fire Presentations (Poster Hall Open 8 a.m. – 6 p.m.)
1:45 – 3 p.m.	Interactive Out With the Old, In With the New – Time to Update the Management of <i>S. aureus</i> Infections A Day With the Antimicrobial Stewardship Pager Challenging Cases in Pediatric Infectious Diseases HIV Specialist – Debate 1 Oral Abstracts Symposia And Justice for All: Applying Infectious Disease/Infection Prevention Strategies in High-Risk, Non-Health Care Populations How to Set Up Your International Medical Graduate Trainees and Junior Faculty for Success Keeping an Eye on H5 Influenza Long COVID: Where Are We Now and What Can We Do? Stopping the Inevitable? Holistic Approaches to Preventing Classic Respiratory Viral Infections in Transplant Patients What's Old Is New Again: Vector-Borne Disease in a Changing Climate
3:15 – 4:30 p.m.	Interactive Diagnostic Clinical Cases: What Do I Do With This Test Result? HIV & STI Cases Oral and Late Breaker Abstracts Symposia Breaking Barriers: Advancing Health Equity in Infectious Diseases Care and Prevention Caroline B. Hall Lecture Challenging Consults in Clinical Mycology Contaminated Blood Cultures – Impactful or Inconvenient? ID Consultations in the Era of High Acuity and High Volume: Innovative Strategies to Bolster the ID Workforce Pandemics Throughout History Pathogenesis of Neurological Diseases From Non-CNS Pathogens, What We Can Learn From Murine Models Practical Aspects of Antimicrobial Stewardship in Immunocompromised Patients
4:45 – 6 p.m.	Named Lecture IDSA Named Lecture
7 – 9 p.m.	Industry Educational Events
Tuesday, Oct. 21	
6 – 9 a.m.	Industry Educational Events
7:30 – 9 a.m.	Symposia Hot Breakfast and Hot Topics: Advocacy in an Election Year Women in ID
8 – 9 a.m.	Meet-the-Professor <i>C. diff-erently</i> : What's New in the Diagnosis and Treatment of <i>Clostridioides difficile</i> ? CEO: Chief "Education" Officer – Career Pathways in Med Ed Leadership Diagnostic Trials: Past and Future Hot Topics in OPAT How to Set Up Successful Public Health-Pharmacy Partnerships IYKYK: Adolescents in HIV Pediatric Antimicrobial Resistance: Key Updates for the Busy Clinician Synergy and Strategy: Combinations and Dosing to Defeat VRE The Cost of Counting: Innovative Strategies for HAI and AMR Surveillance in Non-Acute Care Settings To Transplant or Not – Should I Take This Donor? Symposia New Antimicrobials in the Pipeline – Part 2
8 a.m. – 5 p.m.	BugHub Stage and Global BugHub Stage

9:15 – 10 a.m.	Named Lecture IDSA Named Lecture
10 a.m. – 2 p.m.	Exhibit Hall Hours
10:15 a.m. – 2 p.m.	Industry-Supported Learning Lounges
10:30 – 11:45 a.m.	Oral Abstracts Symposia AI in Clinical Microbiology Don't Kiss Your Chickens (or Cows or Pigs): Infection Prevention on Meat and Poultry Farms Hot Topics in Medical Mycology Late Breaker Symposium 2 Narratives and Infectious Diseases, Stories to Enhance Recruitment Into ID and Care for the Patients We Serve Recent Advances in Understanding Respiratory Microbial Communities: From Association to Translation State-of-the-ART HIV Prevention Treatment Conundrums, Not Always Black & White Vaccine Hesitancy at Home and Abroad What's Best for the Babies? Controversies in Neonatal Infectious Diseases Practice
12:15 – 1:30 p.m.	Poster and Rapid-Fire Presentations (Poster Hall Open 8 a.m. – 6 p.m.)
1:45 – 3 p.m.	Interactive Challenging Vaccine-Preventable Diseases You've Forgotten Oral Abstracts Symposia A Decade of Emerging Congenital Infections From A to Zika Big Beasts of Clinical Mycology Cavities, Appys and CLABSIs, Oh My! Perspectives From Our Surgery and Radiology Colleagues Decolonizing Global Health Lowering Barriers to Diagnostics Access to Reduce Health Inequities and Improve Outcomes Management of Respiratory Viruses in Transplant Recipients in the Post-COVID-19 Pandemic Era Novel Strategies to Diagnose, Monitor, Treat and Prevent Hepatitis B and Hepatitis D Pathogen Genomics: Emerging Clinical Applications Putting "PEP" to the Step: Doxycycline Post-Exposure Prophylaxis
3:15 – 4:30 p.m.	Interactive Challenging Cases in Immunocompromised Host Clinical Controversies HIV Specialist – Debate 2 PCR Panels: Are They Leading to Antibiotic De-Escalation or Escalation? Oral and Late Breaker Abstracts Symposia New Antibiotics, Untapped Potential: Exploring the Underuse of Recently Approved Agents A Vaccine to Prevent Congenital Cytomegalovirus Infection: How Close Are We? Bug to Drug: Translating Molecular Insights on Antimicrobial Resistance to Treatment of Challenging Infections Environmental Upheaval and Infectious Diseases Influential Publications in Health Care Epidemiology, Antimicrobial Stewardship & Public Health What's New With Respiratory Infections in Children?
4:45 – 6 p.m.	Named Lecture SHEA Lectureship Stanley A. Plotkin Lecture in Vaccinology
6 – 7:30 p.m.	IDWeek Attendee Reception
7 – 9 p.m.	Industry Educational Events
Wednesday, Oct. 22	
8 – 9 a.m.	Meet-the-Professor Can My Patient Get Their Chemo/Cells? How to Approach the Hematologic Malignancy Patient With an Active Infection Current Challenges in SSI Surveillance Getting Paid More for the Work You Are Already Doing! Optimizing Billing and Coding for ID Providers Hitting the Road – Challenging Cases in Pre-Travel Medicine Consultation HIV & Aging

	One Size Fits One: Toward Individualized Management of Infectious Diseases Papers That Should Change Your Practice in Pediatric ID Tele-Antimicrobial Stewardship to Build Stewardship Capacity What's New in Urinary Tract Infection (IDSA cUTI Guideline Panel and the UTI WikiGuidelines Panel) You Do What? Combined ID Fellowships Symposia New ID Diagnostics in the Pipeline
8 a.m. – 5 p.m.	BugHub Stage and Global BugHub Stage
9:15 – 10 a.m.	Named Lecture IDSA Named Lecture
10 a.m. – 2 p.m.	Exhibit Hall Hours
10:15 a.m. – 2 p.m.	Industry-Supported Learning Lounges
10:30 – 11:45 a.m.	Oral and Late Breaker Abstracts Symposia Bridging Innovation and Patient Care: Regulating Diagnostics and Therapeutics for Maximum Impact Clinical Trials That Will Change Your Practice Extrapulmonary Non-Tuberculous Mycobacteria Fresh Strategies for Modern Challenges in Outpatient Antibiotic Stewardship Global Health at Home: Addressing Emerging Viral Infections and Health Disparities in the U.S. HIV for the Non-HIV Specialist Improving Health Equity Using Advanced Analytic Methods Maternal Immunization: A New Era of Prevention of Infant Infection ESPID/PIDS Joint-Sponsored Symposium: Perspectives in Pediatric Osteoarticular Infections: Bone Appetit! T-Cell Modifying Therapies: What the ID Provider Needs to Know
12:15 – 1:30 p.m.	Poster and Rapid-Fire Presentations (Poster Hall Open 8 a.m. – 6 p.m.)
1:45 – 3 p.m.	Interactive Challenging HIV Cases Challenging Vaccine Issues: Beyond the Guidelines Oral Abstracts Symposia Advances in Managing Antimicrobial Toxicities Antimicrobial Stewardship in Latin America and the Caribbean: A Journey of Resilience, Challenges and Aspirations Case-Based Review of ID Guidelines ID Management and Transitions of Care Issues Within Key and Unique Populations It's a Small World After All: Prevention and Treatment in the Expanding World of Pediatric Immunocompromised Hosts Stewardship and Sustainability Done Three Ways Updates in Cardiac Implantable Electronic Device Infection Upstairs and Downstairs: Updates on Human Papillomavirus Screening
3:15 – 4:30 p.m.	Interactive Wednesday With the Health Care Epidemiology Pager Oral Abstracts Symposia 2025 Medical Odyssey, AI, EMR and the ID Clinician Cracking the Code of Resistance: A Deep Dive Into Metallo-Beta-Lactamase From Bench to Bedside Cutting-Edge Public Health to End the HIV Epidemic Driving Better Decisions: Incentivizing Diagnostic Stewardship Expanding Global Stewardship Through Cultural Humility and Community Engagement Vaccines on the Horizon Why Do We Do This? Exploring the Data Behind Long-Established Practices In ID
4:45 – 6 p.m.	Interactive IDBugBowl
